26/032L	3. Minutes of May 2026 meeting – approved at June Full Town meeting, no matters arising.	
26/033L	4. IT Provision RM and CL reported on the Cloudy IT open day they had attended the previous week. Both reported that the company's knowledge of the sector would have huge benefits to TTC. RM was particularly impressed with the Gov.meetings and Gov.assist packages which will potentially save a noticeable amount of time. It will also be a huge benefit to the Town Clerk for health checking polices etc. The costings had been circulated to the members prior to the meeting which included the provision of devices for Councillors. It was agreed that at this point this would be omitted and re-visited in the future. The audio-visual options has previously been demonstrated and all agreed that this could only be a positive purchase not only for the quality of meetings but as a marketing tool for future bookings. The only other quote received (which had previously been discussed) had been re-circulated. CL advised that she would consider them when obtaining quotes for the website upgrade in the future. Cloudy IT are fully competent with cyber security and come recommended by National Association of Local Councils (NALC). The provision of push notifications had previously been requested CL will check that this is included in the quote. HJ proposed that the Cloudy IT quotation of £18,072.84 one off payment and £5,174.64 annually for support (exc VAT), is provisionally accepted, to be discussed and confirmed at full town in July 2026, seconded by PH, carried.
