

OUR TIDWORTH – 2028 CALENDAR COMPETITION!

We're planning something exciting for 2027 and we want **YOU** to help us create the **Our Tidworth 2028 Calendar!**

Throughout 2027, we'll be inviting local residents of all ages to get creative and submit entries celebrating Tidworth and Perham Down.

And it's not just about photographs!

You could enter:

- A drawing or painting
- A photograph
- A sketch
- A piece of artwork
- Local wildlife or nature
- Our local history or landmarks
- A community event or special local moment
- Or another suitable creative entry that captures what makes Our Tidworth special!

Each month, one winning entry will be selected, with the winner receiving a Family Pass as their prize.

Then, at the end of 2027, the 12 winning entries will be brought together to create the Our Tidworth 2028 Calendar!

Each monthly winner will receive a copy of the finished calendar, with additional copies potentially being printed for the community to purchase.

This is your chance to show us YOUR Tidworth!

Whether you're a photographer, artist, budding illustrator, a child with a fantastic imagination, or simply someone who loves our town – we want to see what Tidworth means to you.

More information about monthly themes, how to enter, closing dates and entry requirements will be announced soon.

So start thinking, drawing, painting, creating and snapping!

Could your entry be one of the 12 chosen for the Our Tidworth 2028 Calendar?
