

Tidworth Town Council's Listening Tree

Have you seen the Christmas Tree outside Tidworth Community Centre?
We would like you to add to our tree this year using this Bauble.

It could be:

- Something you have achieved this year
- Something you would like to do next year
- Something you are proud of
- Something you would like to say to somebody you love.
- You could draw something, your family, your pet, your friends.

Anything you like. Please write your name and age on the back of your bauble. Then return your Listening Tree Bauble to school where we will laminate them and hang them on the tree. You can do as many as you like. They will be collected from schools reception Monday 30th November.

Alternatively you can drop them into the post box at Tidworth Community Centre, Wylde Road.
