20/030Pro	<p>4. Civic Centre There has been a change to the Stage 4 costs due to the increase in survey costs required for the planning conditions. The revision to Reserves has a positive outcome for TTC. This will be circulated to full council for discussion at November’s meeting. MC is meeting with the project and legal teams on Thursday. There are still some minor tweaks needed to the HoT’s. CL has made enquiries regarding potential temporary accommodation. She had visited Castledown Business Park, she advised the members that it would more than suit the councils needs and was good value for money. Members are welcome to visit themselves. At the moment this is the favoured location but the members asked for the other potential locations be followed up.</p>	
20/031Pro	<p>6. Updates Allotments – MC had met with Wiltshire’s tree expert who has advised which tree is best to be removed to provide access. Some of the Home Farm residents have concerns about the location of</p>
